“Provisional Certificate for Shariah Compliance”

(October, 2022 to October, 2023)

It is Certified that Transparent Hands Trust (THT) Lahore has adopted “Shariah Compliance Zakat Management System”(SCZMS) for collection & utilization of Zakat and Donations under the guidance and supervision of Shariah Scholars.

In my opinion, The steps taken by the THT, under the supervision of Shariah Consultant, in order to collect and utilize Zakat and donations are satisfactory also. Those who pay Zakat and Donation to the THT, their Zakat will be paid according to Shariah rulings, and the THT management is bound to follow the instructions and guide lines of shariah Consultant regarding zakat collection and distribution.

May Allah SWT grant the management of THT best reward of their services.

And Allah knows best,
